Dear Ms. Sagri:

Reference: July Quarterly Report (4/01/04 - 6/30/04) for the Calumet Political Action Committee (Calumet PAC) (ID # C00386300)

Ms. Sagri:

This letter is in response to the request for information pertaining to the aforementioned report filed by the Calumet Political Action Committee. On behalf of the committee, I thank you for your guidance and patience during this process.

After careful review of the letter issued by the Federal Election Commission (FEC) and the reports reflected in the FEC archives, we have made the necessary changes to our report (Amendment FEC-133806) to ensure the committee filed its contributions under the compliance of the limits set forth and referenced in your letter.

The contribution in question was in fact entered incorrectly during the filing period. The contribution in question was to be attributed to the spouse. Each check was signed by the appropriate account holder as listed in the address line.

Furthermore, the contributions to Federal candidates/committees are properly disclosed on Line 23 of the report.

These issues were corrected and the report was reprocessed under strict scrutiny. The July Quarterly Report was amended to include accurate data in the appropriate sections.

Please do not hesitate to contact the Calumet PAC in the event further changes must be made so that the report is compliant with the provisions of the Federal Election Campaign Act. This office may be reached via telephone at (219) 942- 4895. Again, I thank you for your assistance with this matter.

Sincerely,

Mr. Terrence Bronowski
Treasurer
